CALVARY CHAPEL DISTINCTIVES BY CHUCK SMITH

What makes Calvary Chapel Distinctive? It's always good to have a grasp of the distinctive work that God has done in our fellowship. If Calvary Chapel is exactly like the church across the street it would be better to simply merge the two. But, if there are qualities that make us different, then we have a unique and special place in the plan of God. Certainly there are churches that share many of our beliefs and practices. But God has done a wonderful work of balance in the Calvary Chapel movement that does make us different.

Some churches believe in the gifts and ministry of the Holy Spirit, but don't have a strong emphasis on Biblical teaching. Others place strong emphasis on teaching the Word of God, but don't believe the gifts of the Spirit are available and valid today. In Calvary Chapel we value the teaching of the Word, and possess an open heart to the work of the Holy Spirit. This balance makes Calvary Chapel a distinct and uniquely blessed movement of God. And so, it's important to understand the Biblical principles that explain why God has allowed us to exist and grow.

September Missions

Said and Habiba are missionaries who have been ministering as witness for Christ in country that is hostile toward Christians and external missionaries. This is especially difficult because missionaries are not accepted into the country but, because of their citizenship, they have the opportunity to share their testimony with people who might not otherwise hear the gospel message. They have a passion to not only share what Christ has done in their lives with others but also disciple them and help them grow in their faith.

“We thank God for supporting and protecting us during all these years and his faithfulness with us. Brothers and Sisters in Christ and partners in ministry I thank God for you and your support to us during all these years and I pray that God will always be with you.”

Said and Habiba are our **Missions Commitment** focus for the month of September. Said helps to lead a coalition of home churches in a country that is hostile toward Christians and missionaries.

Said helps to lead a coalition of home churches in his home country while at the same time utilizing technology to help spread the message of Jesus. In the last year over 400 people have come to a profess Jesus as their Lord and savior because of the work of Said and his family. Prayers are always appreciated as this is an especially difficult and dangerous place to be a believer in Christ.

workers have been asked to leave the country for different reasons.

- Security for family and church members.
